Spring Term 1 — Friday 13th February 2026

Compassion Hope Perseverance Respect Trust
Wisdom

Dear Parents, Guardians and Carers,

As we come to the end of the first half term of the Spring Term, I would like to thank everyone for their continued hard work and support. School will reopen for children on Monday 23rd February, and we kindly remind parents to adhere to the published holiday dates and ensure children return on this day. This week has been a special one for All Saints'. A group of children from our weekly Prayer Club attended a special service at St Paul's Cathedral - our first visit as a school to this service for many years. It was a wonderful experience, made even more special as we proudly paraded our beautiful new school banner, created by Mr Boal's very talented mum. We are extremely grateful for her kindness and creativity. Finally, a sincere thank you to Mrs Clark, our Interim SENDCo, for her dedicated support during Mrs Peach's absence. We look forward to warmly welcoming Mrs Peach back after half term, and I know our children and families will be delighted to see her return. **Ms Skinner Headteacher**

From developing new skills in lessons to representing the school with pride at events, every child has contributed to making this a positive and active half term. Well done to everyone for their effort, determination, and commitment to staying healthy and active!

May God bless you and keep you. May God sustain you with this feast and be present in your fast. May God use your feasting and fasting to bless the world, and to give you peace.

Sundays and Seasons

Safeguarding:

Safeguarding is everyone's responsibility, and working together makes a real difference. As we approach the half term break, please take time to talk with your child about their wellbeing, friendships and online activity. Simple conversations about who they are chatting with, what games they are playing and how they are feeling help children stay safe and confident. We also encourage parents to check devices regularly and ensure parental controls remain in place and appropriate for your child's age. If you ever have a concern please contact the school.
