'Learning by Loving Unconditionally'

Spring Term 2 — Friday 13th March 2026

Compassion Hope Perseverance Respect Trust
Wisdom

Dear Parents, Guardians and Carers,

It has been a fantastic week in school, with so many exciting opportunities for our pupils to learn beyond the classroom. Our Year 5 children represented the school brilliantly at the Dance Festival – they were outstanding, and it was wonderful to see so many parents there to support them. The children performed with great confidence and enthusiasm, and we were incredibly proud of them. This week has also included several enriching trips, with pupils visiting Flying with Physics and the Science Museum, where they were able to explore science in engaging and interactive ways. Today our Year 5 pupils also attended a Science Festival at Clarion Secondary School. It was a fantastic experience for them and a great opportunity to begin strengthening links within our wider community and with our local secondary schools. Opportunities like these play such an important role in bringing learning to life, and we are very grateful to the staff who organised and supported these events, as well as to parents for their continued encouragement and support.

Ms Skinner, Headteacher

Reception

This week, our Reception children have been enjoying a variety of measuring activities, exploring concepts through play with sand and water. In Science, they have been investigating flight, having lots of fun making rockets and aeroplanes while learning about how things move through the air. Their curiosity and excitement for hands-on learning has been wonderful to see! We are excited to continue building on these explorations in the coming weeks.

Achievements

 YR	Karam - for a good week at school and for good engagement with some activities. Andrhue - for always making sure to do his best and neatest handwriting.
 Year 1	William - for his growing independence. Celine - for her knowledge about mammals, reptiles, birds, fish and amphibians.
 Year 2	Azaria - for independently creating a truly lovely bug hotel. Finley - for working diligently on his phonics, comprehension and writing.
Year 3	Lacey-Mae - For getting on with her learning straight away and completing her task on time. Asail - For gradually improving on her maths skills particularly on Mass.
Year 4	Shuaib - for an excellent recount which engaged the reader. Ayla - for the excellent written structure used to express a point of view.
Year 5	Sam - for showing great athleticism and control on our science trip. Erin - for a huge improvement in her attitude towards all aspects of school life.
Year 6	Abia - for her studious attitude to learning as well as her patient, supportive attitude to others. Kevin - for rebounding from failure to find success and showing greater social maturity.

Diary Dates

Date	Event
16.03.26	Neurodiversity Week
17.03.26	Science Assembly
18.03.26	Y2 Easter Experience Trip Y4 St Paul's Cathedral Trip
27.03.26	1.30pm finish for Easter Break

Sports

With the weather beginning to improve, we are really enjoying being able to spend more time outside during our sports sessions. Over the coming weeks, we will be starting a focus on athletics and summer sports, giving pupils the opportunity to develop their running, jumping and throwing skills while enjoying being active outdoors. We are looking forward to seeing pupils build their confidence, teamwork and enjoyment of sport as the term progresses.

Lord, give me the courage to move forward this month without fear. Help me trust Your plan and walk in confidence. Remove every doubt and strengthen my faith. Lead me into the future You have prepared for me. Amen

Safeguarding: Screen Time

Did you know that children are estimated to spend an average of **25 years of their lives on screens**? While technology can be positive and enjoyable, it is important to help children develop a healthy balance between screen time and other activities such as playing outside, reading and spending time with family. Setting simple routines, such as screen-free times in the evening and keeping devices out of bedrooms overnight, can help children build healthy digital habits. We are planning parent and child workshops to support in the Summer Term.

House Points

1st	St Matthew's 1016
2nd	St John's 970
3rd	St Mark's 947
4th	St Luke's 902

Year 6 Class Assembly

Apologies for the cancellation of this week's Y6 Class Assembly. **The assembly has been rescheduled for Wednesday 18th March at 9.15am.** We look forward to welcoming parents and carers

Attendance

YR	92.55%
