Spring Term 2 — Friday 20th March 2026

Wisdom

Dear Parents, Guardians and Carers,

It has been another fantastic week in school with lots of exciting learning and experiences for our children. Year 2 enjoyed a wonderful trip to the Easter Experience, exploring the story of Easter through interactive activities and discussion. Year 4 visited St Paul's Cathedral, where they experienced the incredible history and architecture while bringing their classroom learning to life. Year 5 have been flying into physics this week, exploring scientific concepts through hands-on investigations and curiosity. We also welcomed As If By Magic for a spectacular science assembly. The children were amazed by the explosions, demonstrations and real-life science experiences that made learning truly memorable. Finally, we would like to send warm wishes to all our families celebrating Eid. We hope this special time brings joy and celebration with family and friends. Eid Mubarak to all who are observing. Thank you for your continued support and we wish everyone a wonderful weekend. **Ms Skinner, Headteacher**

Reception

Reception children have been very busy in their learning this week. In the outdoor area, they have enjoyed exploring their role as builders, working together to construct and create using a range of materials. They have also been exploring musical instruments and sound, experimenting with different ways to make noise and discovering how instruments can create different types of sounds. It has been wonderful to see their curiosity and creativity in action.

It was wonderful to see everyone getting involved and enjoying the activity together. Sessions like these are a great way to build confidence, cooperation and keep active.
