Dear Parents, Guardians and Carers,

We are delighted to welcome several new pupils who have joined us over the past few weeks, and extend a very warm welcome to them and their families at All Saints'. It has been lovely to see how well the children are settling in and becoming part of our school community. There are also many exciting events coming up this term. Next week, we look forward to our school disco on Thursday 30th April - thank you to the parents who have already volunteered to help; we would be grateful for any additional support. Please note that school will be closed to pupils on Friday 1st May for staff training, and will reopen on Tuesday 5th May following the May Bank Holiday. Looking ahead, we are excited to celebrate our annual International Week in June, which is always a fantastic opportunity to recognise and enjoy the rich diversity within our school. We warmly invite parents and carers to get involved by sharing traditional cooking, dancing, language, and cultural experiences - watch this space for more information! **Ms Skinner, Headteacher**

Reception

Reception children thoroughly enjoyed their visit to All Saints' Church this week, where they took part in a fun and engaging treasure hunt. The children explored the church environment, working together to find clues and discover different features of the building. They showed great curiosity and enthusiasm throughout the visit, asking thoughtful questions and sharing their observations with each other. It was a the role of the church within our community.

Prayer to Saint George

Dear Saint George,
in the name of God, extend
to me your shield and your
powerful arms, defend me
with your strength and your
greatness; so like you, with
God's help, I will win over evil.
Amen.

Safeguarding: Phone Ban in Schools

Following recent national discussions around mobile phone use in schools, we would like to take this opportunity to reaffirm our existing policy. Our school will continue to enforce a strict no smartphone rule during the school day. This approach supports our commitment to maintaining a focused learning environment, promoting positive behaviour, and safeguarding students' wellbeing. We appreciate your continued support in ensuring that students adhere to this policy.
