Summer Term 1 — Friday 8th May 2026

Compassion Hope Perseverance Respect Trust
Wisdom

Dear Parents, Guardians and Carers,

Next week, our Year 6 children will complete their SATs tests. We would like to say how incredibly proud we are of every single child — not because of a test result, but because of the strength, resilience, determination and progress they have shown throughout their time in primary school. The children have worked exceptionally hard and approached this challenge with maturity and perseverance. SATs are only a small snapshot of what a child can do and they do not measure creativity, kindness, teamwork, humour, compassion, curiosity or the many other qualities that make each child unique and successful. Our message to all of Year 6 is simple: try your best, believe in yourselves and be proud of how far you have come already. That is all we could ever ask of you. We know you will all shine in your own way, and we wish every child the very best for the week ahead. Wishing you a blessed weekend.

It was wonderful to see everyone encouraging one another, trying their best, and developing their confidence and coordination. Well done, Year 2!

Prayer for Strength

Safeguarding:

We appreciate our community remaining vigilant, particularly following recent concerning activity in the local area. However, we kindly ask parents and carers to avoid sharing unconfirmed information which may cause unnecessary alarm. Yesterday, police vehicles parked nearby were not linked to the school and there was no threat to pupils or staff. If there were ever a genuine safeguarding concern relating to school, families would be informed directly. Thank you for your support in helping us maintain a calm and safe environment for all children.
