'Learning by Loving Unconditionally'

Summer Term 2 — Friday 12th June 2026

Dear Parents, Guardians and Carers,

As we move closer to the end of the academic year, the weeks seem to be getting busier and busier! I would like to take this opportunity to remind families that attendance is expected right up until the end of term on Friday 17th July. It is disappointing that we continue to see some families taking holidays during term time, resulting in children missing valuable learning experiences and opportunities to celebrate the end of the year with their classmates. It was wonderful to welcome parents and carers to our Year 3 class assembly on Wednesday. The children spoke confidently and enthusiastically, and I particularly enjoyed hearing about their learning around the story of Creation. Today, our Year 6 pupils headed off on their School Journey to PGL. There was a real buzz of excitement this morning as they boarded the coach, and I am pleased to report that they have arrived safely. We wish them a fantastic trip filled with adventure, teamwork, new experiences, and lasting memories. **Ms Skinner, Headteacher**

Reception

There has definitely been an increase in writing going on in reception! It is wonderful to see children writing for a range of purposes and the progress that they have made across the year. As we come towards the end of the year I want to take this opportunity to say how proud we are of all that the children have achieved whilst also drawing your attention to helping them get ready for Year 1. You can do this by reading daily and helping them with skills to become more independent.

Prayer for a safe trip

Lord I go with you, I am safe with you.
I do not travel alone,
For your hand is upon me,
Your protection is divine.
Besides, in front and behind
You encircle my life,
For I am yours, and you are mine.

Safeguarding: Summer Holidays

As we approach the summer holidays, many children are potentially spending more time online. Please take a few moments to check the apps, games, and websites your child is using and ensure appropriate privacy settings and parental controls are in place. A simple but important message to reinforce at home is: if something online makes them feel worried, upset, or uncomfortable, they should tell a trusted adult straight away. Thank you for your continued support in helping to keep our children safe both online and offline.
